Circle the Division you are competing in: **1-Novice** **2-Master** **3-Grand Master** **4-Grower** **5-Youth**  
Please complete 1 tag per gourd you are entering in competition; attach string to each tag; affix to gourd entry. Tag should be folded and taped to cover your name. After competition judging, the tags may be opened. The tags should be printed on cardstock paper, tape may be used if necessary, to affix to gourd. Please cover artist name, if on the gourd, with masking tape prior to your arrival. Each artist will be assigned a number at the registration table (or in advance), which will be written on each tag and your registration form. Please detach and retain your "pick up tag" at the bottom of each entry tag.
