

President's Message

September 13, 2017

Only 10 Days until *Gourdfest* – It's is ALMOST HERE

A few things to remember:

- 1. Competition Tab on the Gourdfest is not currently working, however, we are working on this problem so keep checking to see when it is fixed. So Sorry but this is something we can't control.**
- 2. Don't forget that we need items for the Market Place which includes anything but clothing and bed linens.**
- 3. We still have a need for Volunteers. Please contact me ewtatum@bellsouth.net**
- 4. Can't wait to see all the competition pieces!!!!**
- 5. Don't forget to make a Gourd Hat – Mine is funny so see if you can make yours better.**

Flyers and write ups have been given out and placed in newspapers and buildings. I really hope we have a good crowd.

Ellen Tatum – President of Georgia Gourd Society
